Child Sponsorship Dinner

There are an estimated 30 million victims of human trafficking in the world today. More than 1/2 are children. Orphans are the most vulnerable to modern-day slavery, starvation, disease and all forms of oppression. Through child sponsorship you can make a direct impact to END SLAVERY. You can help Make Way Partners grow a true anti-trafficking orphan-care network throughout Sudan and the D R Congo to save, heal, protect and prepare thousands of at-risk orphans for leadership in the future.

A Child Sponsorship Dinner is a commitment to help protect & provide complete care for more of the children in Sudan & in the Democratic Republic of Congo. It starts simply: Invite your friends and family to a special dinner that you host. At the dinner share why you became ‘family’ for an orphan in Sudan and what difference that has made in your life! Then extend the joy. Invite your guests to join you by becoming MWP Child Sponsors too. You will find resources and materials on our website that will help make your dinner memorable - *including fun, Sudanese-style recipes and dinning tips!*

What Local Host Does: Hosting a Child Sponsorship Dinner is a great way to invite your friends to action & share together the joy of protecting orphans at-risk to slavery! It’s so easy to spread the word about Make Way Partners Child Sponsorship!
