

Membership Packages **NON-PROFIT ORGANIZATIONS**

Membership in CAFO is not first a chance to receive, but *an opportunity to grow and guide a movement together*. All membership options include a place and voice in a larger community working in unison to see Christians care effectively for children in need. Membership also helps churches, families and leaders to identify partners committed to fiscal integrity, good governance, collaboration and Gospel-centered ministry.

Advanced levels of membership also include additional opportunities to both expand the member's impact while investing in the Christian orphan care movement together.

We stand together for an impact far beyond one organization...

"Ever feel alone in orphan care and adoption ministry? CAFO is the solution. Share passion, expertise, friendship and ideas with kindred spirits from across the U.S. and around the globe. For the Christian in orphan care, CAFO is a must!"

KELLY ROSATI, VP OF COMMUNITY OUTREACH
FOCUS ON THE FAMILY

"Being actively involved in the CAFO community – MAKES US BETTER! Partnerships have been created that otherwise, likely would not have happened! Participating in Summit has helped shape our vision, purpose and clarity for our staff, advocates and volunteers. Robust dialogue in CAFO community on challenging topics as helped us deepen our ministry approach in several areas."

ANDY LEHMAN, VICE PRESIDENT
LIFESONG FOR ORPHANS

"It has often been said that we can do more together than we can separately. And while that may not be a direct quote from the Bible, the principle is certainly biblical. The Christian Alliance For Orphans (CAFO) is a wonderful example of how followers of Jesus Christ can work together for the most vulnerable in our world. As a founding member of CAFO, Buckner has a long-term commitment to the goals and principles that drive this organization."

DR. ALBERT REYES, PRESIDENT
BUCKNER INTERNATIONAL
