

Membership Packages **CHURCHES**

Membership in CAFO is not first a chance to receive, but *an opportunity to grow and guide a movement together*. All membership options include a place and voice in a larger community working in unison to see Christians care effectively for children in need. Membership also helps churches, families and leaders to identify partners committed to fiscal integrity, good governance, collaboration and Gospel-centered ministry.

Advanced levels of membership also include additional opportunities to both expand the member's impact while investing in the Christian orphan care movement together.

We stand together for an impact far beyond one church...

"As a Pastor, it is extremely helpful to have a co-laborer come along side me to help lead our church into a deeper understanding of the Gospel and the reality of our calling to serve the orphan. This initiative is a gift to the church and I commend it to anyone who desires to understand the application of the Gospel in the context of orphan care more fully."

RYAN ROSS, THE PARKS CHURCH (TEXAS)
CHAMPION CHURCH

"Working with CAFO has been a great experience for our church! They provide much needed resources and information for working with these special children whom God cares so much for."

HEATH HOLLANDSWORTH, GRAYSTONE CHURCH (GEORGIA)
MOVEMENT CHURCH

"At the core of the heart of CAFO is a commitment to see the local Church be on the frontlines of defending the cause of the vulnerable and oppressed. The beauty of the Church rests in the diversity God has given it – each one bringing its unique resources and passions around the table for the common good. We truly are better and more impactful together than we ever could be on our own."
