

orphan sunday

for kids K-6

Filmed and produced on location in Zambia, the nation that originated Orphan Sunday, this FREE innovative and stimulating curriculum helps “Show the Love” of God in Bible stories and in the lives of the children of Zambia with live action videos, hands on activities, and original upbeat music. Created to assist in the faith formation of children, each lesson presents key Biblical truths about caring and sharing, thus engaging children in the Orphan Sunday projects of the church.

Included in the FREE resources is a “katumba” (small pocket), sewn by Zambian women using traditional chitanga (cloth). Each child receives a katumba in which to keep change that he or she collects between the sessions. At the end of the five sessions, the change collected is used for orphans and vulnerable children in Zambia. The katumbas are a gift for the children in your program.

“Show the Love” can be used for a mission themed month of Sundays, a VBS mission activity, or a mid-week ongoing activity.
