This work also involves a wide range of communications to build awareness and effective engagement, including three podcast series, regular interviews in both Christian and mainstream media, articles and opinion editorials, speaking and teaching at conferences and other events, the CAFO blog, CAFO's monthly newsletter and other e-information, strategic use of Facebook, Twitter and other social media, videos and other visual media products, phone and in-person meetings with thought leaders, pastors, advocates and other influencers, email and phone responses to a wide range of inquiries, an expansive website, monthly training webinars, and much more. All of these efforts work towards three primary goals. 1) To see more than enough loving homes for every child in U.S. foster care by 2025 - including foster, adoptive and restored biological families. 2) To see 50+ effective national networks worldwide by 2021: each well-equipped and well-connected, enabling the local church to rise as God's first answer for the orphaned and neglected children of that place. 3) To see Christians and Christian organizations known across the field of OVC care not only for great love, but also for excellence and innovation.
